

# DUELTEK LAUNCH ITS NEW DIAMOND SERIES HDMI CABLES

Dueltek's new Diamond Series HDMI Cable is designed for high definition video and exceptional sound quality.

Covered in a heavy duty external braid sheath to enhance its durability and longevity. The Dueltek Diamond Series HDMI cables are also fitted with gold plated connectors & a new "Easy-Grip" brushed silver coloured moulding.

The Diamond series is 1.3c standard and supports 1080P resolution.

Fully backwards compatible with DVI applications, these cables will make your home theatre come to life with its crystal clear picture and incredible sound.

Perfect for all digital applications including High Definition TV, X-Box and Playstation, the Dueltek Diamond Series comes with a lifetime warranty, which makes it the best priced premium HDMI cable in Australia!

## Features and benefits of Dueltek's Diamond Series HDMI cables:
